Interchangeable Play Modules

No loose Pieces!

No running, no shouting, no climbing.

Designed and intended for children 1 to 7 years of age. Play Modules task fine motor skills encouraging passive/quiet play.

AM type – Play Modules for free standing systems

AW type – Play Modules for wall mounted applications

Right to the wall!

Mount AW type Play Modules directly to any solid or hollow wall. Hardware included.

Play Modules are: 18" (45 cm) wide x 28" (70 cm) tall

Up to 2" (5 cm) from wall

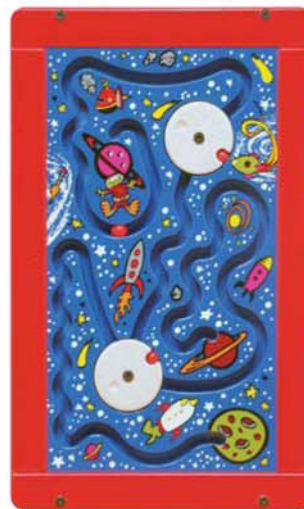

Tic-Tac-Toe AM 24 AW 24

A Classic! A great activity for young readers. Develops colour matching and patterning skills as well as the development of fine motor coordination.

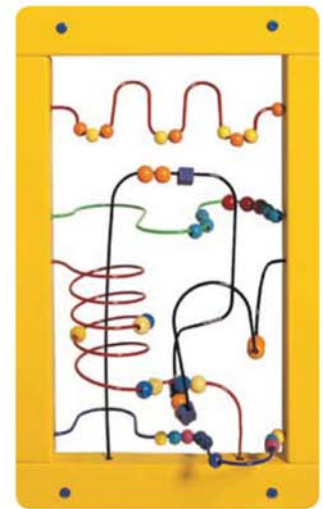

Distorting Fun Mirror AM 4 AW 4

A hit with kids of all ages! Wave mirror creates fun distortion for lots of laughs.

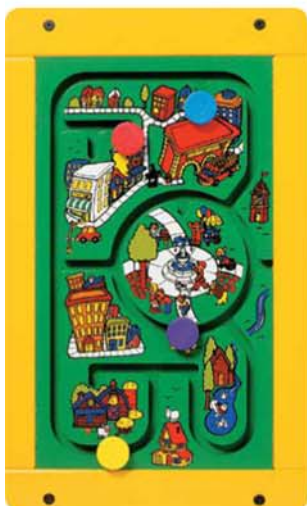

Space Trek AM 5 AW 5

Children move the space balls through wormhole tracks seeking planetary destinations. 'Out of this world' space graphics.

Heebeads Maze AM 1

Colourful beads move along interactive wires. A great hands-on activity!

Travel Town AM 6 AW 6

Children travel in their spindle cars through the various streets and buildings in this happy town. Let the imagination wander.

Monster Blocks AM 3

Flip Flop the blocks and create funny looking monsters. Develops patterning skills for pre-readers.

Dino Dig Rub-n-Find AM 12 AW 12

Children rub the surface of this heat sensitive pad to 'un-earth' the hidden dinosaur images.

Robot Factory AM 23 AW 23

Big Gears – small gears – line gears... Moving and fixed gears mesh to create a variety of cause and effect action.

Round-a-bouts

RA1

RA3

RA2

RA4

Round-a-bouts

24" (60 cm) rotating circle. Designed for children 1 to 7 years of age. Round-a-bouts mount to wall with 'RAB wall mount back' - included.

Lady Bug Lane RA1

Rotate the Round-a-bout maze to help the ladybug through the pathways of Ladybug Lane. Stop and visit different destinations along the way!

Math Beads Maze RA2

A spin & find game great for developing matching and patterning skills. Turn the spinner in front to determine what to find. Next, turn the Round-a-bout Maze to sort through the beads to locate the correct number of matching items you are looking for.

Soccer RA3

Spin this activity to position the soccer ball around the opponent players and score a goal. A great game for developing concentration skills.

YARRRR-a-bout RA4

The classic Pirate treasure hunt! Not as easy as it may appear to be... Yarrrr!

Funky Farm - wall mounted system

Purchased as individual panels to fit your wall space and budget.
